COMMISSIONER

OTTAWA, 14th April, 1927.

Memorandum:

Mr. Hume.

S.W. 19-18-9-W.4th M.
Patented Homestead.
N.W. 19-18-9-W.4th M.
Patented pre-emption.
S.E. 21-62-3-W.5th M.
Land selected.
P. Hendrick .

Question - - Is this man now eligible to make formal application for entry for a second homestead?

Mr. Hendrick has been granted a Certificate of Approval by the Provincial Authorities, Edmonton, and on the 8th June, 1926, he made application to the Agent, Edmonton, for the reservation of the S.E. 21-62-3-W.5th Mer., until he rendered himself eligible to make entry for it.

Last November an Inspector reported that this man had been in residence on the land he selected from the 15th April, 1926, and had made improvements thereon consisting of a log house $100.00, a stable $40.00 and four acres of breaking.

Mr. Hendrick was required to furnish evidence in the shape of Abstracts of Title that he had divested himself of all interest in his patented holdings in the "Dry Area".

He now furnishes a statutory declaration that he is not the owner of any land, with the exception of town property, in the "Dry Area" and two Abstracts of Title covering his patented homestead and pre-emption. The Abstract covering the homestead quarter describes the land as being in Range 19 instead of 9 but there is no doubt that it relates to Mr. Hendrick's patented homestead and I think it might be accepted.

The difficulty now is that Mr. Hendrick has disposed of his patented homestead to his sister, Mrs. Miena Hutsman, and I would be glad to know whether this will meet with the requirements

of.....

of this Department. Under our practice applicants for second homesteads are informed that they must furnish evidence that they have become dispossessed of all interest in their land holdings and that the land stands in the name of some other person or persons but not in the name of the Crown or in the name of a member of his family.

This point was submitted last November and the Commissioner's Office decided it would be sufficient, for the time being, to advise Mr. Hendrick that he should furnish evidence that he had been divested of all interest in his land holdings in the "Dry Area".

COMMISSIONER

When submitting this case in November last, I suggested that it was impossible to say whether such a transfer was made in good faith or not. The Department has no means of knowing whether this is or is not a bona fide transaction. The question is whether it will be accepted as sufficient to show that he no longer holds lands in the dry area.

APPROVED

Asst. Commr. Dominion Lands.

Madam,

Re M.W., 27-70-24, W.5th M.
Homestead - Willis Sheridan King,
(deceased).

I am in receipt of your letter of the ... ult. also informing the Department of the death of the above settler.

The late Willis S. King made application for the issue of letters-patent for his homestead in November 1933 and submitted evidence of the completion of the settlement duties. The application, however, was not approved as he had not furnished evidence that he had become a British subject.

In view of the death of the settler the question of naturalization does not apply to the application for patent. The Department would be in a position to issue patent in the name of the deceased upon the receipt of an official certificate of death or would be prepared to issue patent in the name of the executor of the estate upon the receipt of Letters Probate of the Will of the deceased or Letters of Administration of the estate sealed and recorded by the proper court of the district in which the land is situate.

Please advise this office at your earliest convenience of the intentions of the estate with respect to the homestead of the deceased.

With reference to your consideration on my memorandum of the 14th June last, I beg to point out that it would appear that the small parcel comprising four-tenths of an acre in the S.E. of Section 27, Township 79, Range 24, west of the Fifth Meridian, lying outside the Indian Reserve, should also be included in the sale to the estate of the late Willis Sheridan King, and beg to recommend that the Western Trust Company be advised of the amount due on that basis. In this connection please see the sketch, marked, on my memorandum of the 11th October, 192[illegible], on file 4 57[illegible] herewith.

Sir:-

Replying to your letter of the 17th instant last respecting payment of the amount due the Department in connection with the late William Garrison Hay's purchase of certain scrip of land adjoining his homestead, the North West quarter of section 7, township 7, Range 24, west of the 4th meridian, I beg to say that the late entry was permitted to complete the Israelite North East quarter of this section, for which land payment was made in full. He was then allowed to purchase the South East quarter of the same section lying outside the Indian Reserve, including 3.6 acres more or less of the rate of $3.00 an acre together with interest fee of $1.00 which is charged in all cases where the proceeds of the sale amount to less than $40.00. There is also a small parcel containing 3.4 acres more or less in the South West quarter of said section 7 within the Indian Reserve which it is understood will be included in the sale. Under the circumstances the amount required by the Department to complete the sale of the above mentioned land is as follows:-

3.6 acres at $3.00 per acre.....$10.80
Interest fee.....1.00

3.4 acres at $3.00 per acre.....10.20

Dear Sir:

Mr. C. Marvin,
Acting Director.

S. Pri. S.E.¼, 27-15s. 3.W. & S.E.
Quarters 27-70-24-W. 5th M.
Outside Indian reserve.

I duly see my memorandum of the 4th October last, marked, herewith, which you approved.

There were three sales made in this case although recorded in the Accounts Division under only two numbers, Time Sale No. 19729 and Sale No.20015.

A patent fee of $10.00 was paid in connection with the sale of the portion of the South West quarter as reported by the Agent of Dominion Lands, Grande Prairie, in his letter of the 19th of June last, marked, on file No.4237806 herewith, but the three parcels were included in the one patent.

The question arises as to whether the Department is justified in charging a patent fee since only one patent was issued. However, the Sales were authorized at different times and a patent fee is charged each when the proceeds of a sale amount to less than $20.00.

Please see the departmental letter of the 11th of October last, covering my memorandum of the 4th idem above mentioned, wherein the administrator of the estate of the deceased was informed that if he would remit a further sum of $1.2 the Department would be in a position to issue patent for all three parcels and in his letter of the 15th idem he paid the sum mentioned.

The lands have all been patented and the transaction completed, in view of which it may not be considered advisable to open the matter with the question of a refund.

In the circumstances I would recommend that no further action be taken in this connection.

OTTAWA, 6th November, 1923.

Sir,

Re N.W., 32-75-21, W.6th M.,
Homestead - Mike O'Brine (deceased)
Your ref.142 - 5342.

I beg to acknowledge the receipt of your letter of the 15th ultimo in connection with the land above described, and in reply to say that in the case of a deceased settler the regulations require that thirty acres be brought under cultivation on the homestead during each of three years, and a reasonable proportion of the land placed in crop each year for two years. If, for any reason, the land is difficult and expensive to break the area may be reduced to the equivalent in cost of bringing thirty acres of ordinary prairie land under cultivation.

It might be well to advise you that the legal representative is not required to perform any residence duties, and the erection of a house is waived.

When the cultivation duties are completed some person resident in the vicinity who is familiar with the facts should appear with two witnesses before the local Agent or sub-agent of Dominion Lands for the district for the purpose of making application for patent on form No.158. However, I am unable to inform you what has been done on the land in the way of settlement duties but the Agent of Dominion Lands at Peace River is being requested to instruct the Homestead Inspector when next in the vicinity to visit the land for the purpose of reporting what has been done thereon in the way of improvements. On receipt of the report you will be fully advised as to what further duties, if any, must be completed and also as to any further action taken by the Department. Furthermore, the entry has now stood for five years and is, therefore, liable to cancellation in view of the fact that application for patent has not been made.

Your obedient servant,

J. M. ROBERTS

[illegible] 16-13-23- [illegible]th M. - Soldier Grant.

Entries granted - 24th December, 1[illegible].

Application to have title for these lands vested in the Soldier Settlement Board under the provisions of Section [illegible] of the Soldier Settlement Act, 1[illegible].

This entrant applied for patent for both homestead and soldier grant on the ground of disability and it was decided that patent for the homestead could be allowed if twenty acres were broken and seeded once, and also for the soldier grant if he had sixteen head of stock on the land during one season, the residence duties to be completed in full. (Please see the approval on your memorandum of the 11th January, 1[illegible], hereunder marked). The entrant was advised to this effect, but replied stating that he had no intention of returning to the land as he could not make a living on same. He had obtained a loan from the Soldier Settlement Board.

The Soldier Settlement Board now reports that in the summer of 1[illegible], Mr. [illegible] was compelled to discontinue his farming enterprise on account of the recurrence of a physical disability. Every opportunity was given the settler to protect his interests but he failed to do so and the Board was compelled to institute adjustment proceedings. Under the circumstances, the Board requests that the right, title and interest of the settler in these lands be forfeited and vested in the Board. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent issue in the name of the Board.

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Frank John Burrell,
N.E.¼ 1-61-12 W.4th (S.C.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in April 1918, and in due course secured advances from the Board amounting to $2410.38, as follows: permanent improvements, $231.50; stock and equipment, $1902.91; special advances, $275.97. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the S.W.¼ 36-60-12 W.4th, the settler's former homestead.

In May 1930 the Field Supervisor reported that the settler, due to war disability, was in poor health and has been for some considerable time making it impossible for him to work full time and operate the farm successfully. Mrs. Burrell has been very unsettled for the past few years and they have decided to give up the farm. The settler executed a Quit Claim Deed in favour of the Board on the 16th May, 1930, and his agreement with the Board was therefore rescinded.

The settler's indebtedness to the Board amounts to $2010.30. In addition there are arrears of taxes amounting to $373.24, making the settler's total liability $2383.54. The mortgaged quarter was appraised in June last at $1738.00. The soldier grant was appraised at that time at $400.00, making the total valuation of the farm $2138.00. It is desired to post both these quarters for sale as a unit. No arrangements have been made for the disposal of these lands and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 28 of the Soldier Settlement Act, as $1161. of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior,
Ottawa - Ontario.

Dear Sir -

I have sold a section of land in Alberta, namely sec 9 - 46 - 4 - W. 4th and have been informed that there is a seed grain lien registered against my property. None of the wild land held by me in Alberta was ever broken and I never purchased any seed grain.

I am enclosing a letter signed by the registrar at Edmonton which explains itself. I also make affidavit that I did not get any seed grain. I would thank you in advance for a letter I may forward to the purchaser of the land so the lien may be removed. Yours very Sincerely

Entry granted - 16th August, 1919.
S.E.¼ 27-61-1-W.5th Mer. S. C.
Entry granted - 20th May, 1919.
Alfred L. Moser.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

Soldier Settlement Board

This entrant has obtained advances from the Soldier Settlement Board amounting to $3000.00, as follows: stock and equipment $2370.00; permanent improvements $630.00. The Board holds no other land security.

The entrant has applied for patent claiming duties as shown on forms 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent would not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 20th May last, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board. The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as $1797.90 of the advances were made to the settler subsequent to the date of entry for his homestead and soldier grant. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

TO WHOM IT MAY CONCERN:

WHEREAS Alfred L. Moser, a "settler" within the meaning of the Soldier Settlement Act, 1919, who holds under entry two parcels of Dominion Lands, namely, the N.E., 10-61-1 W. 5th and the S.E., 27-61-1 W. 5th Meridian, on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said Alfred L. Moser, who is residing on the said land, The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821.

NOW THEREFORE THESE PRESENTS WITNESS that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous, to be vested in The Soldier Settlement Board of Canada.

Re: David Hill - No. 871247

- - - - - - - - - - - - - - - - - - -

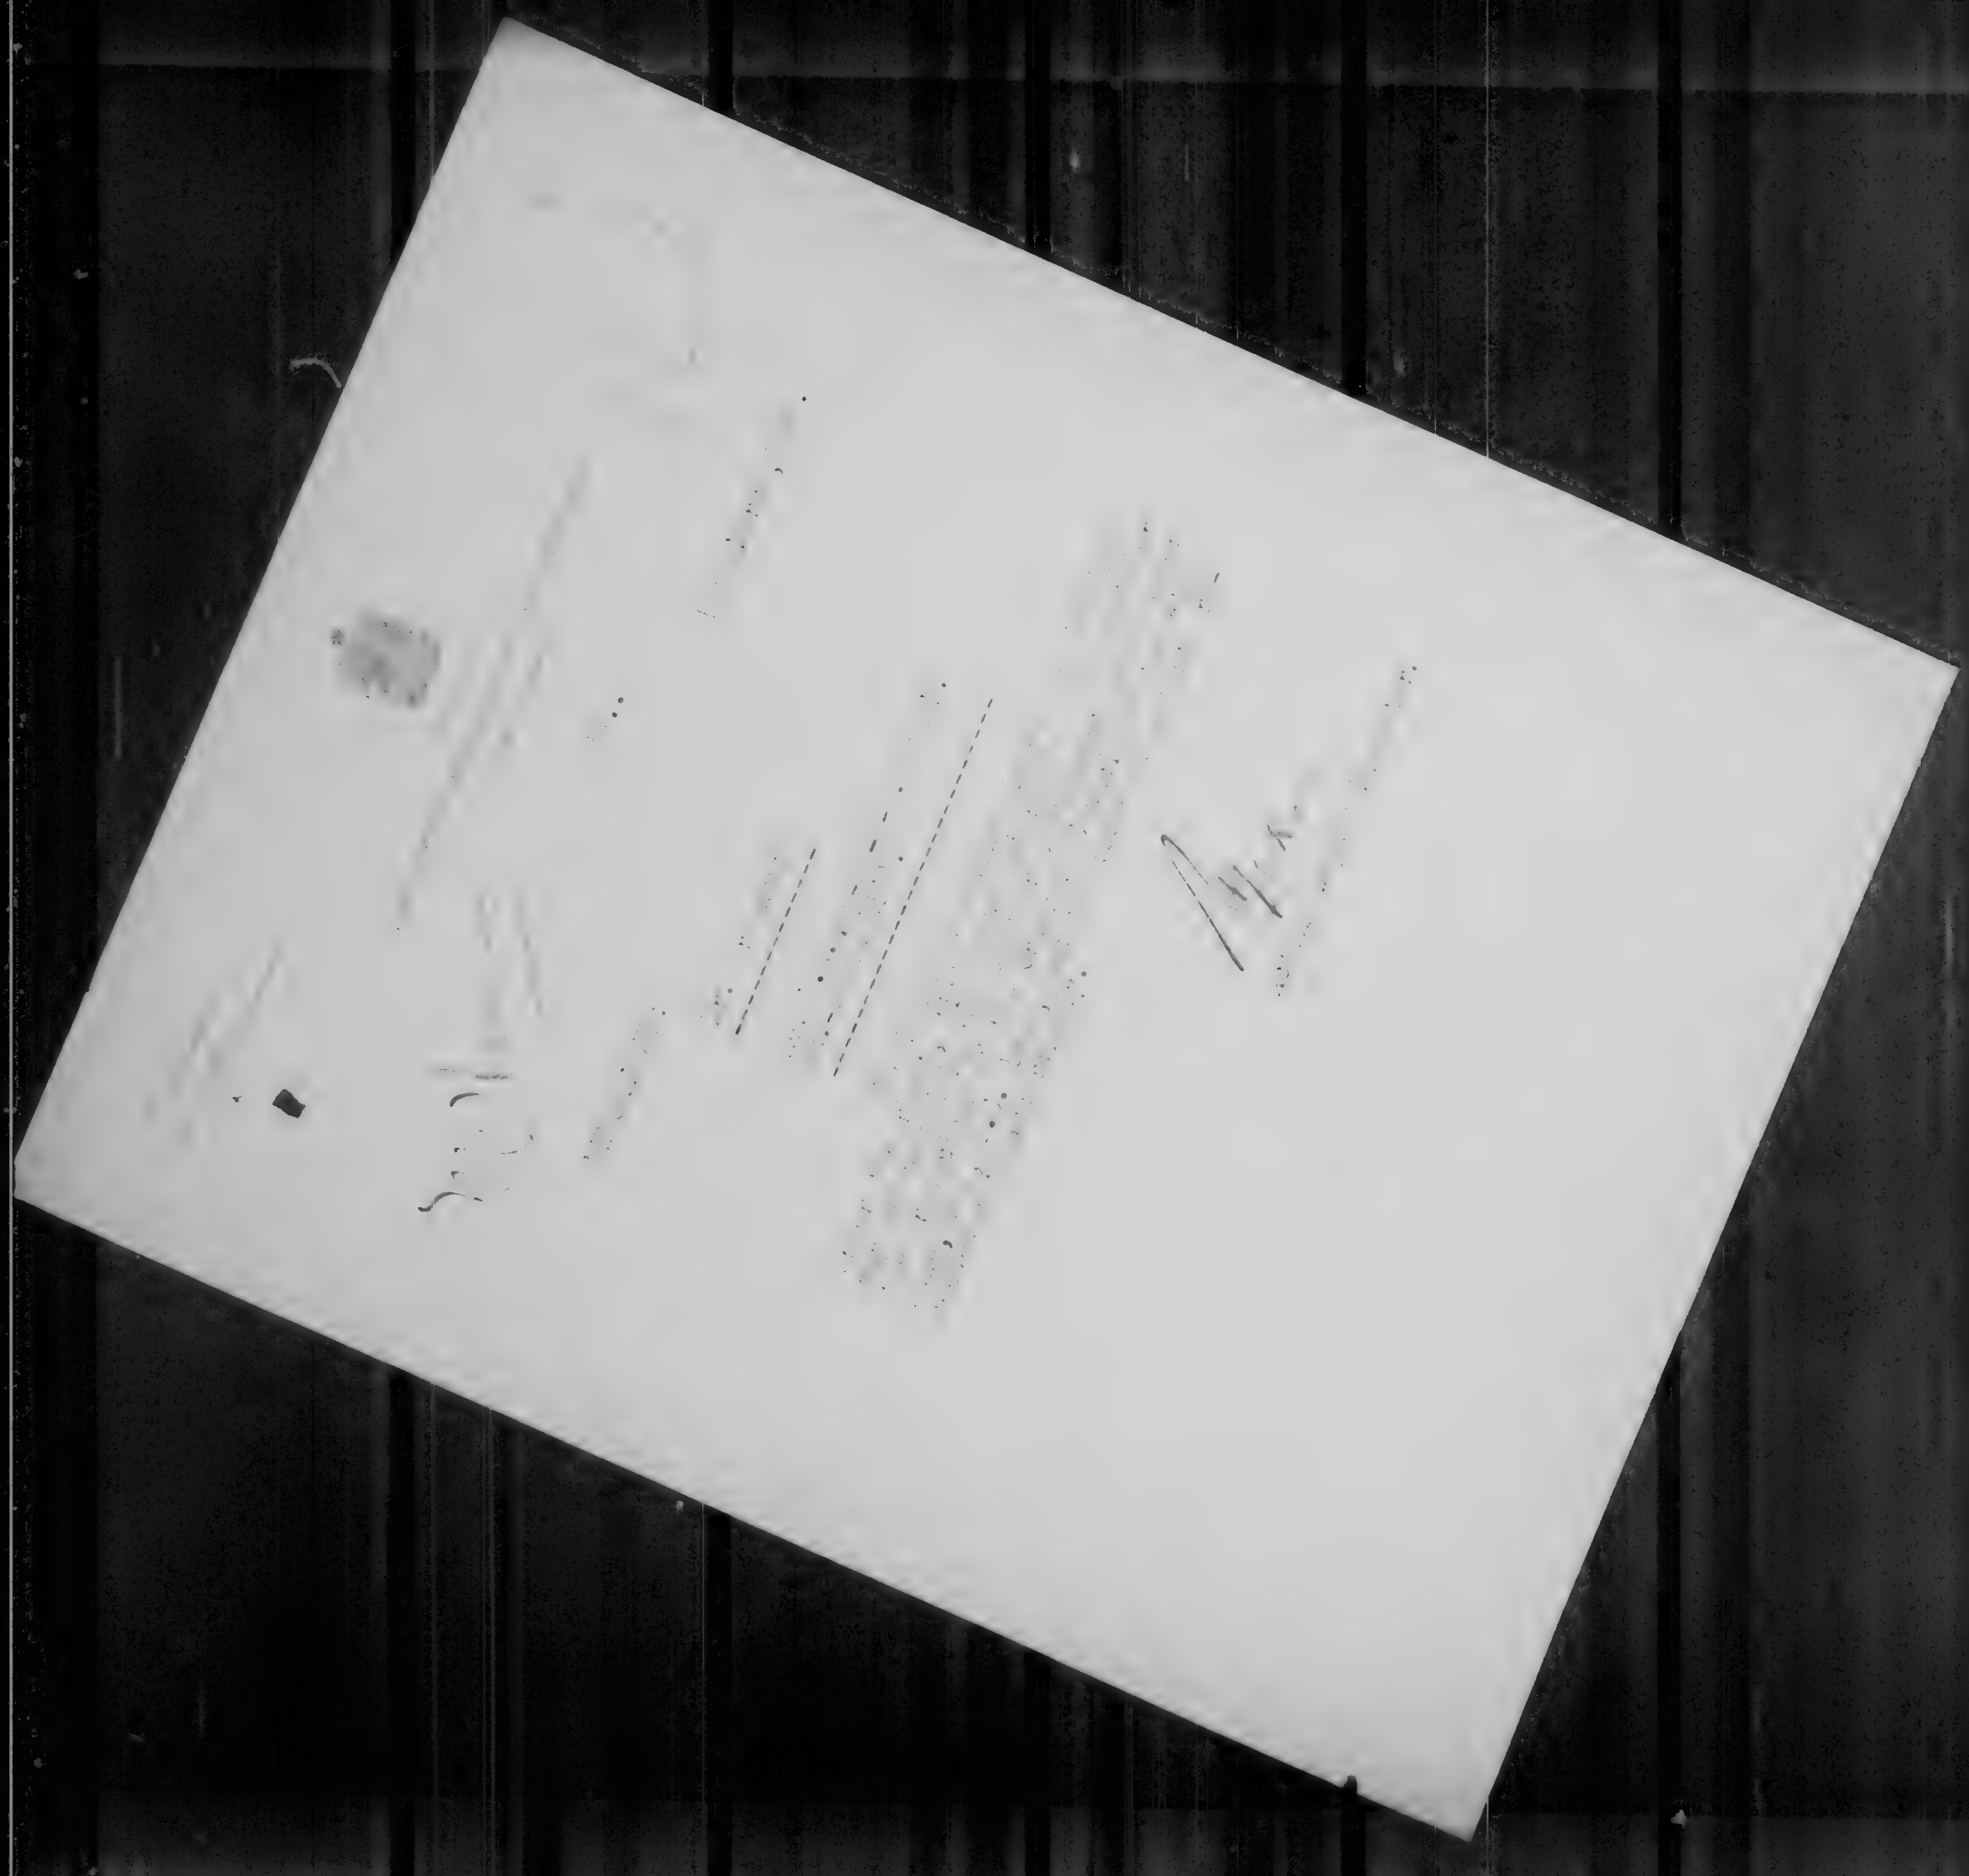

The above named settler secured advances from the Board totalling $2311., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Hill requesting that patent to his homestead should be issued in favour of the Board. Mr. Hill states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated October 14th, 1925.

In order to enable settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921,(P.C.1221), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 6-53-6-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Gordon Brown,
S.W.¼ 6-33-21 W.5th (Wat.)

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in July 1919, and in due course secured advances from the Board amounting to $2877.71, as follows: permanent improvements, $[illegible]4.47; stock and equipment, $1[illegible]2.45; special advances, $[illegible]1.79. As security the Board holds a charge on the settler's homestead. The only other land security in this case, held by the Board, is title to the former soldier grant the S.E.¼ 6-33-21 W.5th.

This settler spent most of his time working out and although repeated efforts were made to locate him both by the Field Supervisor and by correspondence from the District Office he could not be located. He was subsequently interviewed by the Local Field Supervisor apparently early this year when he promised to call at the District Office, which promise he failed to keep and he has not been heard from since. Thirty day notice was forwarded to the settler on the 27th of March last, to which no defence was filed.

The settler's indebtedness amounts to $[illegible]3.67. In addition there are tax arrears amounting to $715.82. The homestead was appraised in May last at $14[illegible]. The former soldier grant is valued at $141[illegible]. No arrangements have been made for the disposal of this land, but inquiries have been received from prospective purchasers.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

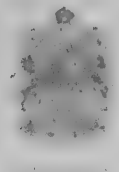

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for [illegible] is attached hereto.

The Soldier Settlement Board.

Canada.

Ottawa - [illegible], [illegible].

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

[illegible]:

Request for transfer of Dominion Lands

Re: Albert Edward Petrie, No. 231503.
N.E.¼ 7-61-1-[illegible]. 5th [illegible]. - S.S.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $2100, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Petrie requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Petrie states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Assistant Secretary of the Department to the settler, dated the 6th of December [illegible], copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 7-61-1-[illegible]. 5th [illegible]. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

[illegible]

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: James Baldiga - No.258678.
S.W.¼ 25-63-24-W.4th Meridian - S.C.
- - - - - - - - - - - - - - - - - -

The above named settler secured advances from the Board totalling $1620.00, the Board taking a charge upon his unpatented soldier grant above described. In addition, the Board also holds security on the N.W.¼ of 18-63-23-W.4th Meridian, the settler's homestead. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Baldiga requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Baldiga states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated March 24th, 1927.

The Regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of 25-63-24-W.4th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Request for Title under Order in Council of the 4th June, 1921, where duties completed by Soldier settler.

Re. Jack Hoolay (deceased)

H.F. 15-81-15-W.4th (L.I.)

The above-described parcels were entered for by this settler as homestead and soldier grant, respectively.

The settler obtained advances from the Board totalling $[illegible], as follows: stock and equipment, $[illegible]; permanent improvements, $[illegible]. As security the Board holds a charge on the settler's homestead and soldier grant.

The settler is now deceased and the Board is informed that duties are completed in this case, and that Mrs. Hoolay, the widow of the deceased, is entitle to receive patent for the land out for the Board's charge. This is confirmed by letters from the Secretary of the Department of the Interior to Mrs. Hoolay dated the 21st November, 1924.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1041, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's title thereto has been repaid. Upon transfer of title also enable the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

Mrs. Hoolay has requested that title to the land in question be issued in the name of the Board. She is residing on the land but is anxious to sell a portion of the same in order to raise some money for the purpose of bringing new land under cultivation. She wishes to have all this arranged at the earliest possible date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the H.F. S-87-15-W.4th M., and the M.H. 10-87-15-W.4th M. be vested in the Soldier Settlement Board.

Office of the Chairman

OTTAWA, 20th April, 1923.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, P.C. 1391, where duties completed by soldier settler.

Re. George E. Dodds,
S.W.¼-31-1-4-W.4th M. (S.C.)

The above-described land is the unpatented soldier grant of this settler.

The settler obtained advances from the Board totalling $2200.00, as follows: stock and equipment, $1900.00; permanent improvements, $300.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the S.½ 3-31-1-4-W.4th M., the settler's South African Scrip.

The Board is informed that the settler has completed the duties in connection with his soldier grant and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Assistant Secretary of the Department of the Interior to the settler dated the 7th February, 1923.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1391, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to his soldier grant be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler has requested that title be issued as aforesaid in order that it may be held as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 9-31-1-4-W.4th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

Application of Stony Lake Country Club to acquire the fracl. N.E.¼ of 23--56--8, W. 4th M., lying south of the lake. Containing 29.4 acres. Shown on the sketch attached coloured pink.

The applicants in August last filed a petition requesting that the parcel above referred to be granted them for "the purpose of a meeting place and recreation park", stating that the members of the club are willing to contribute the labour and money necessary for the erection of a building.

In accordance with the terms of Mr. Gibson's memorandum of the 29th September, 1919, the Agent of Dominion Lands, Edmonton, was requested to ascertain if the club was an incorporated body.

With his letter of the 5th January last, the Agent of Dominion Lands enclosed a copy of a letter from Mr. Guy Chamberlain of Hopkins, Alberta, setting forth that the people in the neighborhood desired to erect a hall and intimating that Mr. E. Shreve, the homesteader of the adjoining N.W.¼ of Section 24, shown on the sketch outlined in blue, would be willing to purchase the parcel in connection with his homestead and, presumably, deal with the club after acquiring the land in question.

In accordance with your directions, a Homestead Inspector's report was called for in the matter and in his report hereunder, Mr. Homestead Inspector Griffin states;

"This frac. is sandy and totally unfit for cultivation purposes. I would recommend that Mr. Shreve be allowed to purchase same at a valuation of (4.00) four dollars per acre. Mr. Shreve has expressed his intentions....."

W.W. Cory, Esq., C.M.G.,

intentions of disposing of this land to the Country Club."

It may be considered advisable under the circumstances to permit Mr. Shreve to purchase the parcel in question at the Homestead Inspector's valuation subject to earning title to his homestead. I would, however, in this connection point out that recently you decided in dealing with applications for land for recreation or sporting purposes to restrict the grant when made to municipalities and agricultural societies.

Respectfully submitted,

Acting Controller.

If the residents wish this land for the purpose of a meeting place and recreation park, they should make a proper application through the Municipality.

Copy of the Chairman's

OTTAWA - 16th April, 1[illegible].

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Alexander MacRae,
S.W. ¼ 2-59-6 W. 5th M.(Mad.)
S.E. ¼ 3-59-6 W. 5th M.(C.C.)

The above-described land is the unpatented homestead and soldier grant of this settler.

The settler has obtained advances from the Board totalling $3000.00, as follows: stock and equipment, $2245.00; permanent improvements, $645.00; special advances, $110.00. As security the Board holds a charge on the above-described land. The Board holds no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Secretary of the Department of the Interior to the settler, dated the 23rd October, 1926.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 2-59-6 W. 5th M. and the S.E. ¼ 3-59-6 W. 5th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

OTTAWA -

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: T. G. Wilton,
S.W.¼ 22-44-4 W. 5th (S.G.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 26th May, 1919, the settler secured advances from the Board totalling $2100.00, as follows: stock and equipment, $1500.00; permanent improvements, $600.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a first mortgage on the S.E.¼ 21-44-4 W.5th, the settler's privately owned quarter.

The Board is informed that the settler has complitted the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary, Department of the Interior, to the settler, dated the 16th November, 1926.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. He is not residing on the land, but there is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 22-44-4 W. 5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

MEMORANDUM: Request for Transfer of Dominion Lands.

Re: Arthur Townsend,#19150,
N.W.¼ 17-56-8-W.5th M. - S.C.
- - - - - - - - - - - - - - - - -

The above named settler secured advances from the Board totalling $1550., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Townsend requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Townsend states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated October 23rd, 1926.

The Regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 17-56-8-W.5th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering the same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Under the circumstances, will you kindly furnish a description of any other lands which may form part of the Board's security in the case of this settler.

WHEREAS Arthur Townsend, a "settler" within the meaning of The Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion Lands, namely, the N.W.¼ 17-58-9-W.5th Meridian, on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS pursuant to an application made by the said Arthur Townsend, who is residing on the said land, The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous to be vested in The Soldier Settlement Board of Canada.

File #4-1771.

Canada. OTTAWA, [illegible] May, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Arthur Townsend, (deceased)
N.W.¼ 17-[illegible]-W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

The settler had obtained advances from the Board totalling $1[illegible].00, as follows: stock and equipment, $1000.00; permanent improvements, $700.00; special advances, $50.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is mortgage on the N.W.¼ 22-[illegible]-W.5th. the settler's privately owned land.

The Board is informed that the settler had completed the duties in connection with his soldier grant and would have been entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 23rd October, 1922.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Lands held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler had requested the issuance of title in the name of the Board. Subsequent to his request he died, and the estate is now being administered by Mr. T. Dickson, the Official Guardian in Alberta who has made arrangements for the disposal of the soldier grant subject to the issuance of patent, in order that the proceeds may be applied in reduction of the indebtedness of the deceased settler to the Board.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 17-[illegible]-W.4th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.
